The table below gives the number of licenses available for 2016 for the various “Deer Choices” in each unit. Also given is approximate information from 2015 on licenses that were available, the number left after gratis deductions were made for landowners and the number of applications that were received for the first drawing. This reflects first choice only and because of the second deer choice allowed, your chances of getting a license can’t be figured exactly. However, providing a similar situation occurs this year, your odds would be better in those units where the applications did not exceed the licenses available after gratis.

In the table below, the deer choices are coded as follows:

A — Any Antlered Deer-either species

B — Any Antlerless Deer-either species

C — Antlered White-tailed Deer

D — Antlerless White-tailed Deer

E — Antlered Mule Deer

F — Antlerless Mule Deer

Place the letter code corresponding to your first and second choices in the appropriate boxes at the top of your “APPLICANT INFORMATION” section (see instruction 5).

16½ DAY SEASON — November 4 (noon) through November 20, 2016.

INSTRUCTIONS FOR THE APPLICATION (If you need any assistance in filling out this application, contact the N.D. Game & Fish Department.)

- 1. AGE:** The applicant must be at least 14 years of age on or before December 31 of this year.

IMPORTANT! This application is **not** to be used by 12 and 13 year olds, or by 14 and 15 year olds who are applying for a youth deer season license! Do not apply on this form. Special applications are available from county auditors, license vendors, and the Department.

- 2. PARTIES:** Parties of 1 to 4 persons may make application for the **same** unit. Submit application and fee(s) in one envelope. **Enter number of people on the same application in the designated box on top right of the application.**

Residents and nonresidents may **not** apply together as a party. **Each hunter must harvest his/her own deer. It is unlawful to harvest a deer for another.**

- 3. HUNTING UNIT CHOICE:** Consult the map on back and note unit boundaries carefully. Make sure the deer choices in your unit are acceptable to you. **Enter the party's first and second choice of deer hunting units in the designated box(es) on top right of the application.**

- 4. REFUGE PERMITS:** Special Refuge Permits are available for deer gun hunting on certain National Wildlife Refuges (NWR) as indicated below.

CODE	REFUGE NAME	UNIT	PERMITS AVAILABLE
			Any Antlered
A	Tewaukon NWR*	2G2	15
B	Upper Souris NWR*	3A2	125
C	J. Clark Salyer NWR**	3A4	175

*Only holders of refuge permits may hunt antlered deer on Tewaukon NWR or Upper Souris NWR. Refuge permit holders may hunt off the refuge anywhere in the unit. No refuge permit is required to hunt antlerless deer on Tewaukon NWR or Upper Souris NWR.

Only holders of refuge permits may hunt antlered deer on the refuge and permit holders may **not hunt off the refuge. No refuge permit is required to hunt antlerless deer on J. Clark Salyer NWR.

If applying for a REFUGE PERMIT, indicate the appropriate NWR code letter (A, B, or C) in the designated box(es) at top right of the application.

• Note: If you apply for a refuge permit and are unsuccessful because all permits for the specific refuge are taken, you will still be issued a regular license for that unit.

Each applicant should fill out all required information in an "Applicant Information" section.

In accordance with state law NDCC 20.1-03-35 and 42 US Code 666 (a) (13) and (16), the Department is required to collect social security numbers from all persons obtaining hunting, fishing, or other recreational type licenses. Your social security number serves as your principal identification number to determine license eligibility. It is kept confidential, however it may be provided to law enforcement agencies and the State Disbursement Unit to enforce child support obligations.

 In accordance with state law NDCC 20.1-02-05, a resident who is 18 years of age or older must submit a ND drivers license number or a ND nondriver photo ID number when applying for a license.

If any part of the application or fees is incomplete or in error, the entire application will not be processed and will be returned to sender.

- 5. DEER CHOICES:** You are allowed a first and a second deer choice for each unit choice. On a party application, each member may indicate their individual first and second choices. **HOWEVER** — if any party member's deer choices are not available, the entire party application will be unsuccessful.

Under the weighted lottery system — the bonus points for each applicant on a party application will be equal to the lowest priority number determined of all applicants on the form.

- 6. HUNTER EDUCATION: ATTENTION!** If you were born after December 31, 1961, you must fill in your hunter education certificate number, and the state or province in which you received it. Required hunter education certification must be completed prior to application being submitted. **ATTENTION: Compliance is enforced by verification with state enforcement agencies. If your certificate is unnumbered, write "none" and the year and state in which you were certified. If you have a change in last name since completing the course, attach a note to the application. Individuals qualifying for a one year apprentice hunter validation should visit our website at gf.nd.gov for more details.**
